

Dear Mr. President:

It is my honor to convey best wishes on behalf of the people of the United States as you celebrate the 107th anniversary of your national day on December 1.

The United States and Romania share a strong, growing partnership rooted in strategic interests focused on security, energy cooperation, and trade. I commend Romania's leadership as a NATO Ally and pillar of regional security and encourage its continued role in promoting stability across the Black Sea region. Building on this foundation, we expect to expand opportunities for trade, investment, and innovation that will boost our economies. Our enduring citizen diplomacy remains the cornerstone of this dynamic alliance.

As my Administration works to make America safer, stronger, and more prosperous, I look to build on our close relationship and shared history.

Sincerely,

Donald J. Trump
